

The background of the image is a close-up of a granite surface. It features a complex pattern of light grey and white mineral grains, interspersed with dark, reddish-brown speckles and veins. The texture appears rough and natural. Overlaid on the upper portion of this background is a solid blue rectangular banner. Inside this banner, the word "STONETIUM" is written in a large, white, stylized font. The letters are bold and have a slight shadow or outline effect. A small "TM" trademark symbol is located at the top right of the letter "M".

INDIAN GRANITES

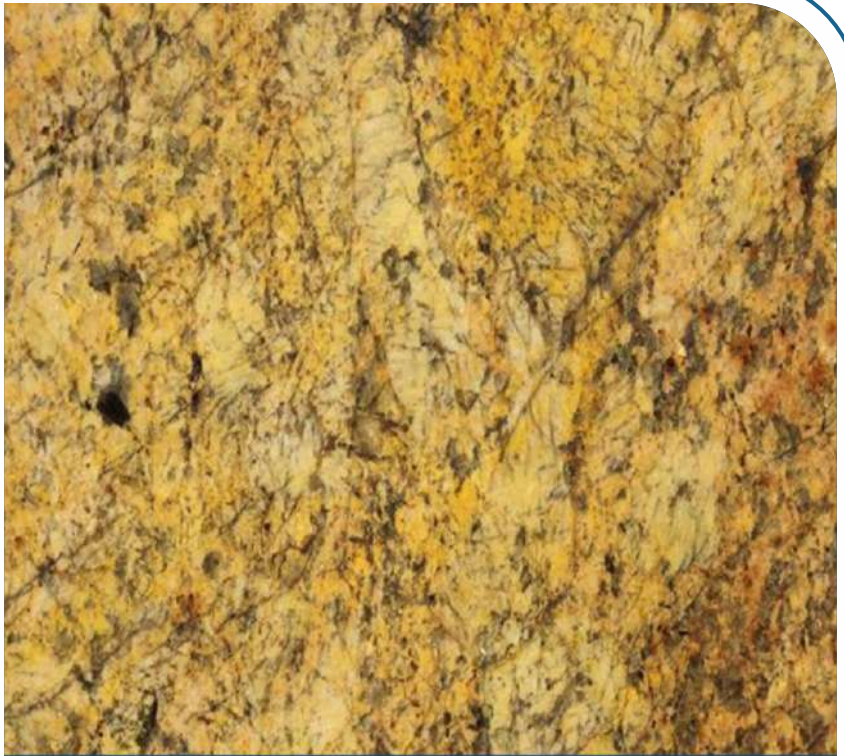

A close-up photograph of a dark, textured surface, likely a granite countertop. The surface is predominantly black with subtle variations in tone and texture, suggesting a natural stone material. A blue banner is positioned at the bottom of the image, containing the text "Absolute Black Granite" in white, sans-serif font.
